FUEL TYPE: Gas
FUEL CAPACITY: 350 Gal.
FRESH WATER TANK: 25 Gal.
DRY WEIGHT: 20,000 Lbs

Engine Details ———

- Twin Mercury Racing 1100s
- Twin Mercury Racing 1350s

Unrivaled Engineering ———

The Nighthawk SD Edition is unmatched to any other luxury performance center console due to its advanced-engineered twin-step hull design, all carbon-fiber hardtop, twin inboards and cutting-edge construction techniques that improve overall performance.

Advanced Helm ———

The helm features three 17" Garmin displays mounted on a nano-coated instrument panel that is heat, reflection, and fingerprint resistant. The perimeter is lit by RGB LED accent lighting to create a distinctive glow and the illusion that the dash is floating. Additionally, it has integrated cup holders, two gloveboxes, and stainless steel grab bars surrounding the helm for safety.

Digital Switching & Automation ———

The Nighthawk SD Edition features a state-of-the-art digital switching system, making control of vessel functions a breeze. This offers simple control of all systems on board, including automatic sequential engine starting with the push of a single button.

Lighting Without Limits ———

All RGB ambient lighting can be digitally controlled through the multi-functional Garmin displays. It powers LED lighting throughout the deck with infinite color variations. This technology extends seamlessly into an underwater RGB system to create the perfect ambiance for a night out on the water. Along with high powered LED downlights in the hardtop and red captain's lighting to provide general and night task lighting.

JL Audio x Cigarette Racing ———

For the finest marine sound systems, Cigarette relies on the leader of the industry, JL Audio Marine. Their products meet Cigarette's pressing demand for audiophile quality systems that can withstand the rigors of the wind, sea and open cockpits. These sound systems are tested on each model to ensure they are appropriate for the boat size and seating configuration in order to provide a pleasing Cigarette Racing experience.

Garmin x Cigarette Racing

When two iconic brands collaborate, the result is rather exciting! As the first manufacturer to be Garmin-Certified, Cigarette has proudly partnered with Garmin to feature state-of-the-art technology and design to give our owners the most ergonomic and intuitive resources to make a day on the water easy, fun, and safe.

The optional Garmin Convenience package places a 9" multifunctional display at the aft conversational area and bow section for additional control points of digital switching, media, and navigation. No need to get up, just tap the screen!

Carbon-Fiber Hardtop

Our exclusive hardtop was skillfully engineered to provide a lower center of gravity for increased performance and comfort without compromising a beautiful design aesthetic. The four-pillar, all carbon-fiber hardtop features a wide, double-curve, frameless clear-laminated safety glass windscreen offering exceptional wind protection. It includes integrated flood lights, boarding handrails, full-spectrum ambient lighting, as well as an optional windshield wiper with a cleaning system, and electrically actuated sunshade round out this innovative hard top with luxury.

Sunshade ———

The Nighthawk SD Edition's hardtop offers an optional electrically actuated sunshade. At the press of a button, the shade will cover the aft entertainment area. All done and ready to get underway? Simply press the "shade in" button on your Garmin display and it will retract into the hardtop.

Comfort & Layout ———

The all-new upholstery takes the hand-crafted Cigarette to a whole new level, with multi-layered foams and highly detailed quilted patterns. The Cigarette "Cool Touch" Fabric upgrade allows for dark colors to be used in the sunlight while the fabric remains cool to the touch.

Cabin Overview —

The cabin offers over 6' of headroom, luxurious cabinetry, a bed, storage, sink, and a vacu-flush head. Even a purpose-built day-boat should have a place to rest your head for a nap - and the Nighthawk SD Edition offers just that.
