

2025-2026

42'
X

42' Length - 8' Beam - Max 2,700 HP

cigaretteracing.com

The 42X combines stunning lines, superlative performance, and exceptional rough water handling. It has a redesigned hull, specifically developed for its power packages and a refined console to better serve the driver. The weight of the boat has been decreased without sacrificing its solid feel and excellent vibration dampening characteristics.

SPECS

MAKE: Cigarette

MODEL: 42' X

LOA: 44' 1"

LENGTH: 42'

DRY WEIGHT: 11,800 lbs

BEAM: 8'

FUEL TYPE: Gas

FUEL CAPACITY: 238 Gal.

Engine Details —

- Twin Mercury Racing 1100 Engines
- Twin Mercury Racing 1350 Engines

Cockpit —

The 42' X is distinctly Cigarette. It has been refined through extensive engineering, comprehensive prototyping, and unprecedented input from some of the world's most experienced drivers. The result is a cockpit purposefully deep and reassuring to produce enhanced wind and water protection while delivering confidence and comfort while navigating waters with greater speed and precision.

Craftmanship ———

Each of our hand-crafted boats are conceived from a client's vision created with the legendary performance and luxury found only at Cigarette Racing. Our skilled team meticulously assembles every detail of the 42' X in our facility from the hand laid fiber hull to the intricately embroidered upholstery. Our craftsmanship is our testament to the dreamers, the doers and the go-getters that live the Cigarette lifestyle.

Cabin ———

Designed to your exact specifications, the cabin can be as calm and serene or as exotic and adrenaline-filled as the boat itself. Custom, premium materials fill the cabin to provide a comfortable place to relax and extend a day on the water. With an available sleeping birth, sink, full spectrum LED lighting and multiple stitch patterns, the interior space of your 42' X will be as unique and identifiable as you are.

Helm ———

The 42' X helm has been meticulously designed to accommodate the latest technologies and ergonomics. Intelligent use of composite materials and construction techniques has allowed further weight reduction with improved vibration dampening and structural rigidity. The hatch has been redesigned to enhance the aeration of the extremely powerful engines and the consoles have been constructed to allow Cigarette's latest findings in ergonomic studies.

JL Audio x Cigarette Racing ———

For the finest marine sound systems, Cigarette relies on the leader of the industry, JL Audio Marine. Their products meet Cigarette's pressing demand for audiophile quality systems that can withstand the rigors of the wind, sea and open cockpits. These sound systems are tested on each model to ensure they are appropriate for the boat size and seating configuration in order to provide the ultimate Cigarette Racing entertainment experience.

Lighting ———

Intuitive controls and variable color options allow easy and customizable illumination to fit any atmosphere.

Hull Overview ———

The 42' X has emerged with an all-new hull design to accommodate higher-powered engines and address changes in the dynamic center of gravity from added torque. This performance powerboat can use either Twin Mercury Racing 1100s or 1350s engines with stability and control. The intelligent use of composite materials and construction techniques allow for further weight reduction, as well as improved vibration dampening and structural rigidity. Additionally, the hatch was redesigned for improved aeration of the upgraded power packages.

Included Options —

COCKPIT

- Powered CNC Machine Billet Bolsters
- Stainless Steel Tilt Helm
- Carbon Fiber Gauge Cluster with Cigarette Logo
- Mercury Vesselview 5" Display
- JL Audio Pure Plus with Garmin Interface
- Ergonomic Billet Footrests with Rubber Tread
- Cigarette Custom Painted Fiberglass Bolster Backs
- Soft Deck Flooring
- Mercury Marine DTS Throttles & Shifters
- Carbon Fiber Dash Panels
- 12" HD Touch Screen Garmin 8612 with Depth Finder
- LED Digital Trim Tab & Drive Indicator
- Cigarette Upholstery Embroidery Package
- CNC Machined Billet Grab Handles
- Dash Controlled Battery Switches
- Cockpit Cover
- Shore Power
- Soft Deck Flooring

CABIN

- Cover Girl Cabin Layout with Hand Stitches
- Hydraulic Cabin Door with Integrated Steps
- Cigarette Logo Embroidered on Bulkhead Curtain
- Custom Built Dual Compartment Cooler
- Composite Cabinet with Countertop
- Dynamic LED Lighting
- Carbon Fiber Electrical Power with 12V Power

HULL & RIGGING

- Twin Aluminum Fuel Tanks
- Cockpit Cover with Fasteners
- Stainless Steel Pop-up Cleats
- Stainless Steel Rub Rail
- Anti-Corrosion Mercathode System
- Stainless Steel Engine Hatch Hinges
- Navigation Lights & Pop Up Bow Light
- 6" Wind Deflector
- Mercury 380S Trim Tab
- Underwater LEDs

ENGINE ROOM

- Cigarette Custom Floor Plate
- Fireboy Automatic Fire Extinguisher
- LED Flood Lights
- Painted Heavy Duty Engine Mounts
- On Demand Battery Charger
- High Output Bilge Blowers
- Sea Strainers with Transparent Lid
- Engine Hatch Lifted with CNC Machine Billet Arm
- Painted Battery Boxes & AGM Group 31 Batteries
- Bilge Pumps (2x 2000GPH & 1x 500GPH Secondary Auto Float Switch)
- Mercury Colored Engine Option
- Stainless Steel Exhaust Tails with Beauty Rings
- Polished Stainless Steel Tie Bar

PAINT

- World Famous Cigarette Paint

UPHOLSTERY

- Cigarette Vinyl Upholstery

Additional Options —

COCKPIT

- Retractable Freshwater Transom Shower
- Dock Lines with Logo

EXTERIOR

- Black Gel Coat
- Cigarette Sport Paint Package
- Complex Paint with Graphics
- Ultra Custom Engine Room Paint
- Tow Eye
- Swim Platform
- Speedometer Above Cabin Door

INTERIOR

- Sport Teak Flooring
- Cigarette Cool Touch Upholstery
